Relatives write...

" Whilst having mum and dad in Canal Vue their care has been excellent. Caring staff. Always happy to update. Nothing is too much trouble. Food generous portions with good quality. Activities are very good. Overall excellent and would definitely recommend."

" My mother has been at Canal Vue for a year now following a spell in hospital and we have been extremely pleased with the way the home have looked after her. She was struggling in her own home, but since moving to Canal Vue her disposition has improved immeasurably and she is now very calm and seems

reasonably happy, having always said she wanted to stay at home."

" The staff did a remarkable job looking after my father, from the outset, everyone worked together. Due to deteriorating health, the need for a care home was urgent. This was smoothly accommodated and he was made welcome in a lovely room overlooking the canal."
